

Why opt for ordinary...

...when you can
have premium?
For the same price!

Don't simply settle for a C. With Omega Trade Frames you can offer energy and pocket-conscious homeowners all the advantages of an A-rated window... at no extra cost.

By offering Linar's profile (which is also 100% lead free), Omega can supply A-rated windows at C-rated prices, giving installers a real edge over the competition.
